

SARC Annual Fox hunt

SARC's annual Fox Hunt was held on May 14, 2011 at Crescent Park in South Surrey. Twenty two hams from Surrey, Langley and Delta, including some spouses, participated in the event.

Participants were allocated two hours to find 5 low power VHF transmitters (foxes) hidden throughout the park . There were two classes of entrants – novice and advanced .

The second half of the event was the informal BBQ. Under slightly overcast skies, members enjoyed the company of other participants s over a burger or hot dog.

Recognition and thanks go to Amel, VE7KBA of BC Radio Sport, for his efficient handling of all the technical aspects of the hunt and to Anton

VE7SSD for the event organization. Many thanks also to all the volunteers for their assistance at the BBQ.

Mark your calendars, approximately same time next year and we look forward to another successful event.
